

# HELLO. WELCOME TO EBATA EYE CARE.

PLEASE READ THE FOLLOWING:

1

## PLEASE ARRIVE ON TIME (NOT EARLY!)

If you have arrived for an appointment, please ring the doorbell and wait for a team member **6 feet** from the door. If you are early, **please come back at your scheduled arrival time to maintain social distancing. Ensure that you are wearing a clean, 3-ply disposable mask.**

2

## PLEASE SCHEDULE AN APPOINTMENT.

If you have dropped by and do not have a scheduled appointment (this includes pickups, drop offs, glasses consultations, adjustments or repairs), **we ask that you please call us and come back at a scheduled time for us to provide you with dedicated service.**

3

## PLEASE BE SAFE AND BE KIND.

We greatly appreciate your patience while adjusting to our clinic protocols and do apologize for any inconvenience that may have been caused. **We are doing our best to keep everyone as safe as possible while providing you with elevated eye care.**

Thank you for visiting Ebata Eye Care!
