

HELLO. WELCOME TO EBATA EYE CARE.

PLEASE READ THE FOLLOWING:

1

MASKS ARE STILL REQUIRED.

We are a **healthcare** clinic and masks are still required. If you are seeing Dr. Ebata, please ensure that you have a clean, 3-ply mask. If you do not have one with you, we will provide you with one upon check-in. If you are early, **please come back at your scheduled arrival time.**

2

PLEASE SCHEDULE AN APPOINTMENT.

If you have dropped by and do not have a scheduled appointment (this includes pickups, drop offs, glasses consultations, adjustments or repairs), **we ask that you please call us and come back at a scheduled time for us to provide you with dedicated service.**

3

PLEASE BE KIND.

We greatly appreciate your patience while adjusting to our clinic protocols and do apologize for any inconvenience that may have been caused. **We are doing our best to keep everyone comfortable while providing elevated eye care.**

Thank you for visiting Ebata Eye Care!
